

2014 Student Learning Objectives (SLO) User Guide for Teachers

RightPath's™ SLO Goal Form enables users to streamline the creation of the SLO Goal forms and the approval process.

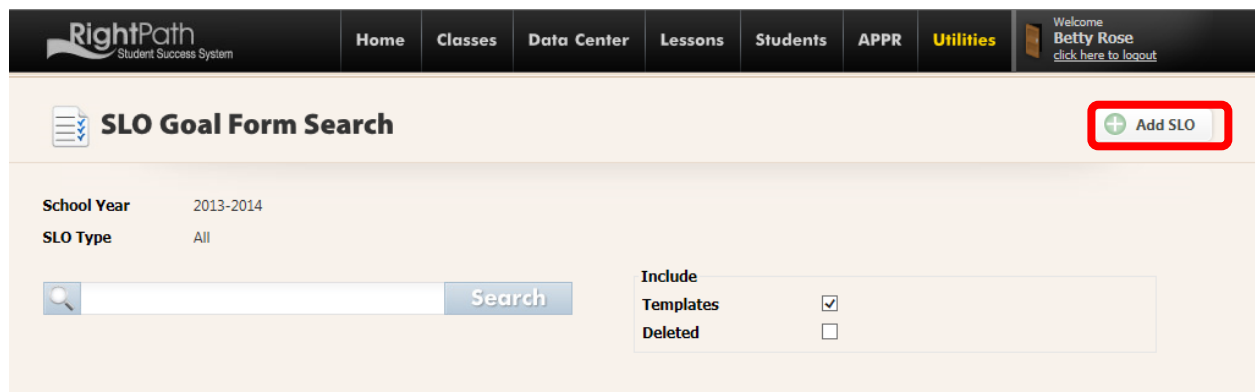

Create an SLO

Teachers can create an SLO from a template (prepopulated with certain pieces of information) or with a blank form using the directions below.

SLO creation is accessible from the APPR dropdown menu at the top of any page in RightPath™. To access the platform, click on the '**APPR**' menu. From the dropdown list, select 'SLOs' and then slide over and click on the 'Goal Form Search' option.

From the Goal Form Search page, click on the 'Add SLO' button.

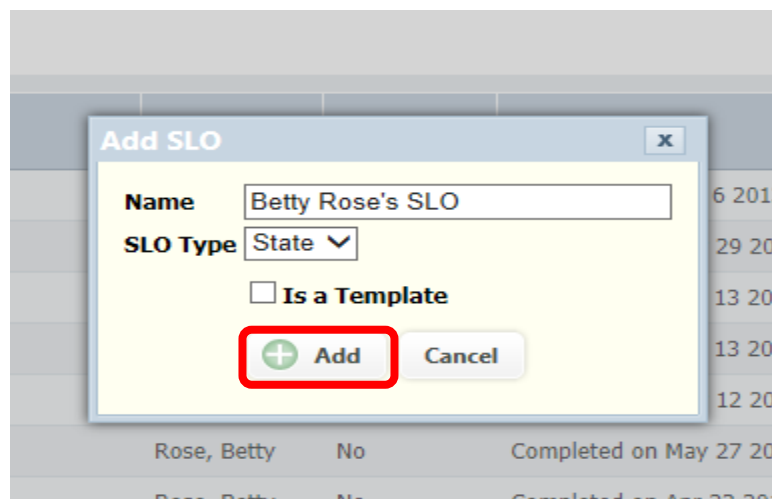

Search Results

Edit/View	ID	Name	Owner	Template	Status	Reviewer	Type
	12814	WSBOCES Demo SLO	Rose, Betty	No	Completed on Sep 6 2013 5:26PM	Admin, District	State
	12858	Betty Rose's SLO	Rose, Betty	No	Completed on May 29 2014 5:05PM	Admin, District	State

Page size: 10 93 items in 10 pages

In the pop-up box, the teacher can name the SLO (e.g. Betty Rose's SLO or Fourth Grade Science). Make sure the 'Is a Template' box is NOT checked, and then click the 'Add' button.

This will open up a new SLO form. Once the SLO form is open, the teacher can fill out the form. Select the SLO type (State or Local) and choose a building from the dropdown menu. Fill in the Population, HEDI and other narrative sections on the SLO. The rich text box fields have the ability to spell check, highlight, bold, italicize, increase or decrease the size, change the font type, etc...

As part of a recent change to the RightPath System, the functionality of the rich text editor has updated to be more consistent with the functionality of most word processors. To see these changes, please view the video available [here](#).

Betty Rose's SLO

SLO Type **State**
Building **Choose a Building**

Population

These are the students assigned to the course section(s) in this SLO - all students who are assigned to the course section(s) must be included in the SLO. (Full class rosters of all students must be provided for all included course sections.)

Size

Your Classes

To add students to this SLO, choose one or more of your classes below. You can optionally specify a pre-assessment to use for your students as a baseline measure.

+ Add Students From Classes

<input type="checkbox"/>	Class ▲	Course Number	Section	Period	Students	SLO Exam
<input type="checkbox"/>	After-School Tutoring Sec: Per:				3	No Exam
<input type="checkbox"/>	Auburn Demo				21	No Exam
<input type="checkbox"/>	Cayuga-Onondaga BOCES Demo				2	No Exam
<input type="checkbox"/>	Creative Classroom Demo				37	No Exam
<input type="checkbox"/>	Demo Class				45	No Exam

If you need to edit the SLO name, click on the red pencil icon that precedes the name of the SLO and make your changes. Make sure you click the 'Save' button to save the new name.

Add Students

To add students to the SLO from a class that is loaded in the system, click the box or boxes next to the class names. You may need to change the page size to see more classes listed. To change the page size, click on the dropdown arrow next to the 'Page Size: 5' and select a larger number to see the classes on the next page.

Your Classes

To add students to this SLO, choose one or more of your classes below. You can optionally specify a pre-assessment to use for your students as a baseline measure.

<input type="checkbox"/>	000010117	Koester	Elmer	Fall Benchmark 1 Math Grade 4					

Click the 'OK' button to confirm you want to delete the selected students. When the screen refreshes, you will see the student has been removed from the SLO.

You can remove multiple students by clicking on multiple boxes next to the names and then clicking the 'Remove Selected'. You can remove all the students at once by clicking on the 'Remove All' button. You will see a popup that will ask you to confirm you want to remove all students from the SLO.

Add a Student Manually

To manually add a student, the teacher can add the student ID# and student name at the bottom of the list of students and click the disk icon to the left of the boxes to save and add the student.

<input type="checkbox"/>		Student ID	Last Name ▲	First Name	Exam	Baseline Score	Target Score	Growth Measure	Growth Value	Comments
▼ Class: 'Math Intervention 2' Course Number: '1234' Section: '1' Period: '2'										
<input type="checkbox"/>		000010562	Caldera	Pedro	Fall Benchmark 1 Math Grade 4	77.78	82.78	Raw	5	
<input type="checkbox"/>		000010639	Carreon	Edwin	Fall Benchmark 1 Math Grade 4

Update Selected Students

The teacher can update a subset of students with exams, baselines and targets by using the dropdown option 'Selected Students'. This may be used if you have two grade levels listed on your SLO and you have given a different exam for each grade. Check off the students that you want to update by clicking on the check box in front of their name. Then instead of selecting the 'All Students' dropdown, you will click on the 'Selected Students' to update. This works the same way for updating the exams, baselines and the targets.

Edit a Student's Information

Individual student's grades that may need to be edited or comments can be added by clicking the pencil next to the student's name. Once changes or comments are made, the disk icon must be clicked to save the changes. Clicking on the red 'X' cancels the action.

<input type="checkbox"/>		Student ID	Last Name ▲	First Name	Exam	Baseline Score	Target Score	Growth Measure	Growth Value	Comments

Add Standards

To add standards, using the standard tree, the teacher can use the arrows to expand the domains, clusters, and then select standards and use the arrows to attach standards to the form.

Standard Selection Instructions: Drag standards from the tree on the left, over to the right to attach them to this SLO Goal Form. You can delete standards by clicking the or dragging them back to the left. If any standards are not listed type them in the text editor above.

Available Standards

 - 8.NS.2 - Use rational approximations of irrational numbers to solve problems.

Check the SLO

To check the SLO for missing information, the teacher can click the 'Check Form' button at the top of the screen. A list of warnings of items that may be missing will display at the top of the SLO. These issues should be addressed now, otherwise the reviewer will be sending this SLO back for you to edit before it can be moved forward to End of Year (EOY) mode.

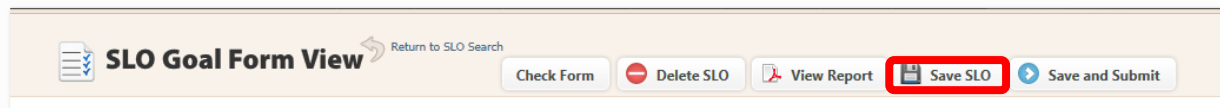

The screenshot shows the 'SLO Goal Form View' interface. At the top, there is a navigation bar with the title 'SLO Goal Form View' and a 'Return to SLO Search' link. Below the title, there is a row of buttons: 'Check Form' (highlighted with a red box), 'Delete SLO', 'View Report', 'Save SLO', and 'Save and Submit'. Below the navigation bar, there is a yellow warning box with a warning icon and text: 'As part of a recent change to the RightPath System, the functionality of the rich text editor has updated to be more consistent with the functionality of most word processors. To see these changes, please view the video available [here](#).' Below the warning box, there is a yellow box titled 'SLO Goal Form - Warnings' with a list of warnings:

- No Building Selected
- Estimated Population is less than 51%
- Population section empty
- Learning Content - No Standards have been attached
- Learning Content section empty
- Interval of Instructional Time section empty
- Evidence section empty
- Baseline section empty
- Targets section empty
- HEDI Criteria - Percentages are incomplete
- HEDI Criteria section empty
- Rationale section empty

Save the SLO

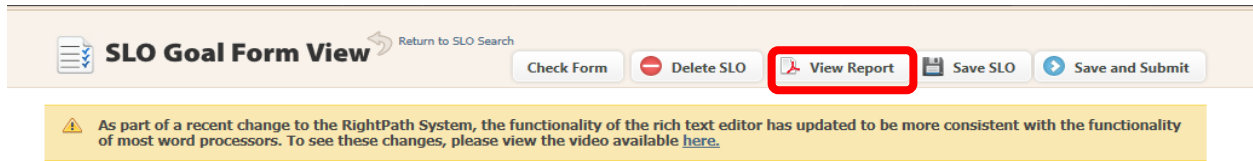

To save changes to the SLO Goal form, the teacher can click the 'Save SLO' button at the top of the SLO Goal Form at any time.

The screenshot shows the 'SLO Goal Form View' interface. At the top, there is a navigation bar with the title 'SLO Goal Form View' and a 'Return to SLO Search' link. Below the title, there is a row of buttons: 'Check Form', 'Delete SLO', 'View Report', 'Save SLO' (highlighted with a red box), and 'Save and Submit'.

Save a Copy of the SLO For Your Records

If you want to print or save a copy of the SLO, click on the “View Report” button at the top of the SLO.

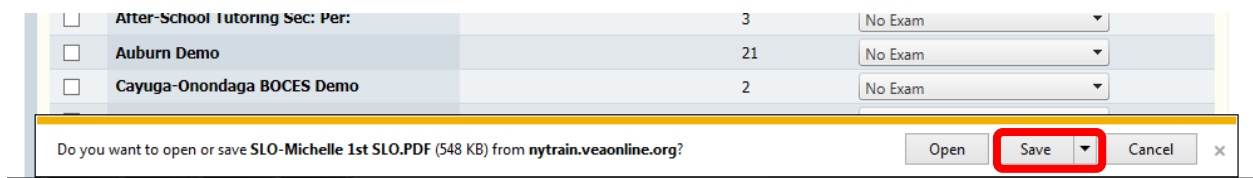

The screenshot shows the top section of the SLO Goal Form View. It includes a header with the title "SLO Goal Form View" and a "Return to SLO Search" link. Below the header are several buttons: "Check Form", "Delete SLO", "View Report" (highlighted with a red box), "Save SLO", and "Save and Submit". A yellow notification bar below the buttons contains a warning icon and text about updates to the RightPath System's rich text editor functionality.

You will see a message at the bottom of the screen that allows you to click on the ‘Save’ button to save a copy of the SLO information for your records.

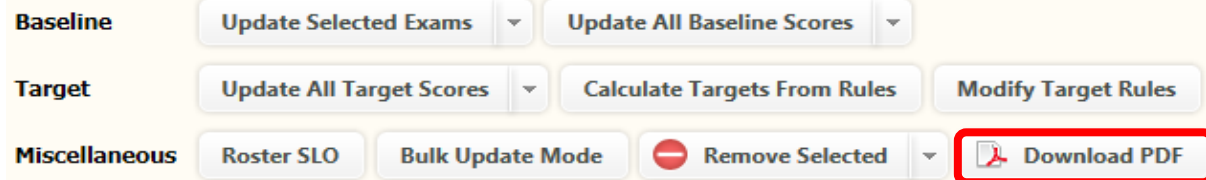

The screenshot shows a table with student information and a save dialog box. The table has columns for checkboxes, student names, and exam scores. The save dialog box is open, showing the file name "SLO-Michelle 1st SLO.PDF (548 KB) from nytrain.veaonline.org?". The "Save" button in the dialog box is highlighted with a red box.

	After-School Tutoring Sec: Per:	3	No Exam
<input type="checkbox"/>	Auburn Demo	21	No Exam
<input type="checkbox"/>	Cayuga-Onondaga BOCES Demo	2	No Exam

You can also click the ‘Download PDF’ button if you want a copy of the student grid information only.

Students Included in this SLO

Student List Operations

The screenshot shows the "Student List Operations" section. It contains three rows of buttons. The first row has "Baseline" and "Update All Baseline Scores". The second row has "Target" and "Calculate Targets From Rules". The third row has "Miscellaneous" and "Download PDF" (highlighted with a red box).

Submit the SLO

Once the teacher is satisfied that all the information on the SLO is correct, he will click on the 'Save and Submit' button. This will submit the SLO to your reviewer for approval.

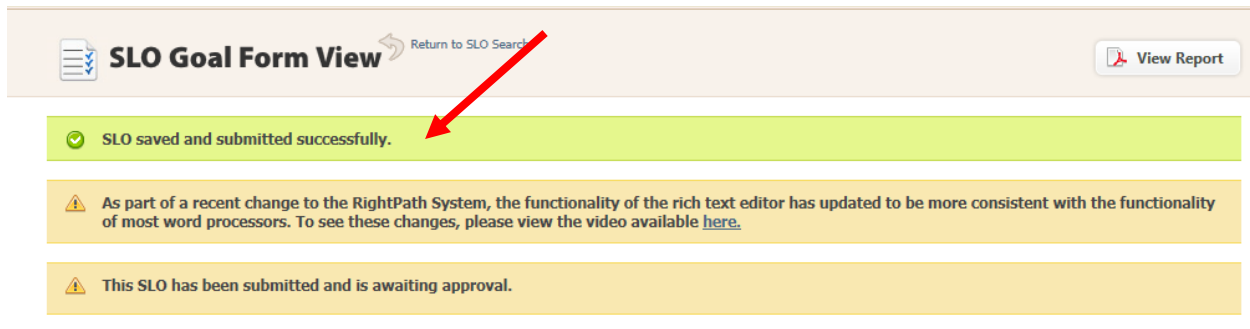

The screenshot shows the 'SLO Goal Form View' header with a 'Return to SLO Search' link. Below the header are five buttons: 'Check Form', 'Delete SLO', 'View Report', 'Save SLO', and 'Save and Submit'. The 'Save and Submit' button is highlighted with a red rectangular box. Below the buttons is a yellow warning banner with an icon and text: 'As part of a recent change to the RightPath System, the functionality of the rich text editor has updated to be more consistent with the functionality of most word processors. To see these changes, please view the video available [here](#).'

SLO Type

Building

A message will appear at the top of the form that informs the teacher that the SLO Goal Form has been submitted and is awaiting approval.

The screenshot shows the 'SLO Goal Form View' header with a 'Return to SLO Search' link. Below the header is a 'View Report' button. A green success banner with a checkmark icon and text 'SLO saved and submitted successfully.' is displayed, with a red arrow pointing to it. Below the success banner is a yellow warning banner with an icon and text: 'As part of a recent change to the RightPath System, the functionality of the rich text editor has updated to be more consistent with the functionality of most word processors. To see these changes, please view the video available [here](#).' Below the warning banner is another yellow banner with an icon and text: 'This SLO has been submitted and is awaiting approval.'

If the SLO is approved, it moves to End of Year mode and is ready for the teacher to add the EOY exam and EOY scores the same way the baseline scores were added. The teacher will then submit the SLO again by clicking on the 'Submit EOY' button. This SLO is now complete unless it is flagged for review.

An SLO is flagged for a final review if:

- There are errors on the SLO.

- A student is missing an EOY Score.

- A student has been excluded from counting in the SLO calculations (by removing the check mark in the box in the far right column).

Any SLOs that meet the above criteria, need to be reviewed once again before the HEDI score can be calculated.

Common errors that will cause an SLO to be returned to the teacher are baseline, targets or EOY scores are missing.

Delete the SLO

The teacher can delete any SLOs that are not needed. If an SLO needs to be deleted, the teacher will open the SLO and click the 'Delete SLO' button. A confirmation screen will pop up and the teacher will select 'OK'. If needed, the SLO can be reactivated by contacting our Support Department.
